MEMORANDUM FOR: Chief, TEMPEST Division  
Office of Security

FROM:

[Redacted]

Chief, Engineering Support Group, FBIS

SUBJECT: Transfer of Funds

1. The purpose of this memorandum is to approve the transfer \$50k from Engineering Support Group/FBIS to TEMPEST Division/OS. These funds, to be absorbed in your contract with Atlantic Research Company, are in support of modifications required on the DEC VT330's to meet TEMPEST Zone 2 requirements at FBIS Headquarters. Please forward a Form 2420 to FBIS for signature.

2. Approximately \$20-30k will be funded for modifications to three terminals, and the balance of funds to be directed to the production modifications of approximately 300 terminals. Additional funding may be required at a later date.

3. Atlantic Research is ready to start the above effort on 8 February. This effort should be completed during the May time frame to coincide with our contractor's schedule for on-line testing during that period.

4. TEMPEST Division's support to our modernization program is greatly appreciated.

5. FBIS' point of contact on this subject is [Redacted], who can be reached on [Redacted].
